SMILES OF CHEVY CHASE

Despina M. Markogiannakis, DDS

Dr. Markogiannakis and Smiles of Chevy Chase are known to be the most innovative practice in the area providing advanced general and implant dentistry. They take ordinary people and make extraordinary smiles.

In as little as two weeks, you can regain your confidence after years of hiding your smile because of misalignment, discoloration and decay. From technology-guided dental procedures for crowns and fillings, to sophisticated implant and cosmetic treatments, the Smiles of Chevy Chase experience is unmatched. Just as technology is always changing, so are they; always pushing to think outside the box and lead the way.

Follow @smilesofchevychase to see how Dr. Markogiannakis inspires patients to change the world with their smile, every day!
